# A WORD FROM THE DOCKMASTER

# Game Theatre

Please remember that the Florida East Coast Railway Bridge will be closed to all boats and marine traffic from February 11, 2017 – February 23, 2017. Repairs are being undertaken on the bridge in preparation for the express train service between Miami and Orlando. The bridge is located on the New River, just west of Andrews Avenue.

The bridge will not open for any reason during the repair process, so make your plans carefully! Whichever side of the bridge you dock your vessel on February 11 is the side it will stay for 12 days. If you are looking for a slip, give me a call. We will make every effort to accommodate vessels affected by the bridge closure
