FALLS AT
MARINA BAY

Marina Bay is an ecofriendly facility. We urge our patrons to please recycle!

Boaters Brunch!

Join us for our Resident Party on Saturday, June 25 at 1:30 p.m. in the clubhouse.

FOR IMPORTANT WEATHER UPDATES

You can receive updated and current marine weather at NOAA Weather Service at:

www.srh.noaa.gov/mfl

Contact us for weather updates at **305-229-4522** for Miami and Ft. Lauderdale

Also "Check the Tides" at our website:

www.marinabay-fl.com/tidechart.html

REMEMBER:

THE 2016 HURRICANE SEASON BEGINS JUNE 1. THIS IS THE TIME TO START PREPARING!

Marine Industry Day is a family-oriented event aimed at celebrating the region's marine industry through a variety of fun, interactive experiences. It features live music, food trucks, children's activities, numerous marine-related activities, water taxi tours, educational games and much more.

Marine Industry Day is open to anyone who is in the marine industry or anyone who would like to learn more about it. There is no cost to attend.

The event is organized and sponsored by the Marine Industries Association of South Florida and the Florida Yacht Brokers Association, with support from the U.S. Superyacht Association, Riverwalk Fort Lauderdale and Young Professionals in Yachting.

Live Music All Day Long!

- Noon – **School of Rock**
- 2:00 pm – **Curbstone**
- 4:00 pm – **Wildfire**

Food Trucks

- Nacho Bizness
- Mobstah Lobstah
- Joji frozen yogurt

K-Sail – Boating, Safety, Mentoring Kids

Marina Bay Resorts

worked with Dr. Allen Reesor and Andrea Gregg to bring the K-Sailing program together at the marina by donating the 28' Columbia Sail Boat and the dock space for these local young people. The program's intention is to encourage children to dream big.

The program is headed up by Allen Reesor and Andrea Gregg who teaches the basics of sailing and provide an experience for children that opens their minds to possibilities. Visit their web site at www.K-Sail.org or call **Allen Reesor at 954-691-8014**. They sail two weekends a month. If you would like to donate some of your time for this worthy cause please let us know at the marina office. They will welcome volunteers with boating experience. ❖

New Gate Codes

As you are aware, the gate codes for the drive-through gates on the East and West entrances have changed. Please remember that the gate codes should not be given out to guests and/or vendors. Any guests can call security for entry as noted on the gate keypads. All vendors must sign in at the Dockmaster's Office and then they will be provided with entrance into the property. We appreciate your assistance as we continually strive to keep Marina Bay secure. Thank you!

Update on Construction of TRYP by Wyndham Hotel

Another month and another floor of the hotel is in progress! The construction is moving along and we look forward to sharing the grand opening with you in early 2017. ❖

A WORD FROM THE DOCKMASTER

Hurricane Season is here! Please make sure you have updated all of your contact information in the Dockmaster's Office. We hope that the 2016 Hurricane Season is a calm one, but we all need to be prepared. The Marina Bay staff is happy to assist you in any way. Here are a few tips:

- Ensure that your Dockage Agreement is up to date and your insurance documentation is on file in the Dockmaster's Office and all contact phone numbers are current.
- If you are out of town, appoint a person to be on-call to implement the Hurricane Plan for your vessel. Do not wait for later weather advisories before securing your vessel.
- Unplug all electrical appliances and remove all items from your freezers. Remove and store your power cords. Prior to a hurricane, the power will be shut down at the source four hours prior to the storm's arrival.
- Remove and secure all deck gear, portable gear, radio antennas, outriggers, fighting chairs, outdoor furniture and deck boxes. Remove all canvas, side curtains and loose articles on the dock.
- Secure all flammable, explosive or other hazardous material (such as compressed gas cylinders) away from the vessel.
- Remove all valuables from your vessel, including insurance and registration documentation, etc.
- Spider-tie all dock lines using appropriate lines for your vessel, with chafing gear as necessary. Use double lines on the bow, stern and spring lines. Please remember that owners must provide all their own gear.
- Secure the vessel in the slip, ensuring all lines are tight. The vessel should be tied to the adjacent boat or finger pier with breast lines. Install extra fenders.
- Larger vessels may be asked to deploy anchors and to use the storm blocks located near the seawall.
- No one is permitted to remain on board in the event of an actual hurricane or tropical storm.
- Remove any trailers from Marina Bay. Trailers are not permitted on site. ❖
