## REMEMBER:

THE 2016 HURRICANE SEASON IS IN FULL SWING. IT'S ALWAYS A GOOD IDEA TO BE PREPARED AT ALL TIMES.

Join "Team Marina Bay" on October 15th from 11am to 3pm as we

participate in The Strut to raise funds for local under-insured women undergoing breast cancer treatment and therapy to benefit Broward Health Foundation. We will join other divas, dudes and doggies will descend on downtown Fort Lauderdale wearing some of the most fashionable, funny and fabulous attire to compete for the Queen/King of Glam-A-THON™ 2016. The title is based on fundraising success and team size. Get to know your neighbors at Marina Bay and The Falls at Marina Bay as well as the staff. We will provide great t-shirts and a tote bag in exchange for your enthusiasm and participation. Visit the website for additional information, [www.glam-a-thon.com](http://www.glam-a-thon.com). Also, see Tara at the Dockmaster's Office for additional information.

You can also make a donation to this great cause through "Team Marina Bay". We accept cash, check (made payable to "Glam-A-Thon") or credit cards for the donation. ❖

## Miami Marlins pitcher Jose Fernandez shows name of his boat

This Instagram photo by Miami Marlins pitcher Jose Fernandez shows the name of his boat, Kaught Looking. The name is spelled with a backward K, the symbol for a called third strike. The boat crashed early Sunday morning, killing Fernandez and two others on board.

The Fish and Wildlife Conservation Commission is investigating the cause of the crash, but officials initially suspected that speed was a factor. In addition to Fernandez, Emilio Jesus Macias, 27, and 25-year-old Eduardo Rivero also died in the crash. ❖

# A WORD FROM THE DOCKMASTER

**S**o, last month we had a little taste of preparation for a hurricane! Luckily, Investment 99 has not yet form into a named storm and we only received some rain. It is important that each of you secures your vessel in the event of a storm. Please monitor the progression of

**John Workman**

any storm and govern yourself accordingly. Specifically, this means removing awnings, exterior canvas and cushions, and anything that could act as a projectile from your decks. If your lines are old, then replace or double them up. If you are not in the area, you **MUST** have a designated representative to handle these matters. **Hurricane season is no joke and we all need to treat it with respect! - John**
